

***A Holy Christmas 2020***

***To all of you, dear Sisters: Merry Christmas!***

***Christmas!***

Mary welcomed the **gift** of Jesus and **gave** Him to all humanity.

Let us contemplate the mysterious action of God and become protagonists of this Christmas, being **welcoming** and a **gift**.

**Let us welcome** the love of Him who recreates us every day and makes us a **gift** for our brothers and sisters.

May Jesus be reborn every day in us, in our communities, in the Institute and throughout the world.

May God's Love intensify our **communion** strengthen our **unity** and grant all humanity His **peace**.

Together with the Councillors I wish you a Merry Christmas and a New Year, full of blessings.
